Chief Executive officer

SECTION 1: NOTICE INVITING TENDER (NIT)

The Director, MAGIC (hereinafter referred to as the "Purchaser") invites sealed tenders from eligible, experienced, and reputed manufacturers or their authorised dealers/distributors for the Supply, Installation, Testing, and Commissioning of ONE (01) Hydraulic Test Bench as per the technical specifications laid down in this document.

1.1 Scope of Tender

The scope of this tender covers the following activities:

- (a) Design, manufacture/procure, and supply of one (01) Hydraulic Test Bench complete in all respects.
- (b) Delivery at the MAGIC ITI premises, including unloading and placement at the designated location.
- (c) Installation, alignment, and commissioning of the equipment.
- (d) Performance testing and demonstration to the satisfaction of the Purchaser.
- (e) Training to staff/instructors on safe operation and routine maintenance.
- (f) Supply of Operation & Maintenance Manual (2 hard copies + 1 soft copy on USB drive).

1.2 Funding

The procurement is funded from the government grant earmarked for Capital Expenditure for setting up Prototyping Facility at MAGIC ITI-Jalna Incubation Center under DPDC scheme. The Purchaser reserves the right to cancel or modify the tender at any stage without assigning any reason.

1.3 Tender Documents

The complete tender document (NIT, technical specifications, terms & conditions, price bid format, and declaration forms) is available on the website of MAGIC (www.magicincubation.com) for download.

SECTION 2: INSTRUCTIONS TO BIDDERS (ITB)

2.1 Eligibility Criteria

1. The bidder shall be a manufacturer of hydraulic systems/test benches OR an authorised dealer/distributor of such equipment with a valid dealership/authorisation certificate from the OEM.
2. The bidder shall have successfully supplied and commissioned at least THREE (03) Hydraulic Test Benches of similar or higher capacity to reputed educational institutions, PSUs, or industries during the last THREE (03) years. Documentary evidence (purchase orders + satisfactory performance certificates) must be enclosed.
3. The bidder shall possess a valid GST Registration Certificate.
4. The bidder shall not be blacklisted / debarred by any State or Central Government department or PSU at the time of submission of the bid. A self-declaration to this effect must be submitted.

2.2 Two-Bid System

5. The tender shall be submitted in a TWO-BID system comprising: (a) Technical Bid (Envelope-I) and (b) Financial / Price Bid (Envelope-II), both sealed separately and placed together in a single outer sealed envelope.
6. Envelope-I (Technical Bid) shall contain: eligibility documents, technical compliance statement, manufacturer's authorisation (if applicable), ISO/BIS certificates, and all other supporting documents.
7. Envelope-II (Price Bid) shall contain ONLY the Price Bid Form (Schedule of Quantities) duly filled, signed, and stamped. No price indication of any kind shall appear in Envelope-I.
8. Price bids of only those bidders whose technical bids are found compliant shall be opened.

2.3 Bid Submission

9. Sealed bids shall be submitted to the Center Head, MAGIC ITI-Jalna Incubation Center, Govt. ITI Campus, Chandanzira, Jalna on or before the last date and time mentioned on the cover page. Bids received after the stipulated time shall be summarily rejected.
10. Bids shall be submitted in person or by registered/speed post. Bids sent by courier/email/or any other means shall NOT be accepted.
11. The outer envelope shall be superscribed: "TENDER FOR HYDRAULIC TEST BENCH – Tender Ref. No. MAGIC ITI-Jalna/Capex/2026-27/001 (Re-Tender)– DO NOT OPEN BEFORE 21/08/2026 (3:30 PM)".
12. The bidder or their authorised representative may be present during bid opening.

2.4 Bid Validity

13. Bids shall remain valid for a period of 120 (One Hundred Twenty) days from the date of opening of the Technical Bid.
14. In exceptional circumstances, the Purchaser may request an extension of bid validity. Bidders may submit their extension at their discretion.

2.5 Amendment of Tender Documents

15. The Purchaser reserves the right to amend the tender documents at any time prior to the last date of submission. All amendments shall be communicated to all prospective bidders who have obtained the tender document and shall be binding on them.
16. To provide adequate time for bidders to incorporate amendments, the Purchaser may, at its discretion, extend the deadline for submission.

2.6 Clarifications

17. Bidders requiring any clarification on the tender document may submit written queries to ceo@magicincubation.com at least 07 (seven) working days before the last date of submission. Clarifications will be issued by email to all bidders.

SECTION 3: TECHNICAL SPECIFICATIONS

The Hydraulic Test Bench to be supplied shall conform to, or exceed, the following technical specifications. Compliance to each parameter is MANDATORY. The bidder shall submit a point-by-point compliance statement cross-referencing their offered model.

3.1 Mandatory Technical Parameters

Parameter	Specification / Value
Equipment	Hydraulic Test Bench – complete training/demonstration unit
Sump (Reservoir) Capacity	Minimum 150 Litres (stainless steel / mild steel with epoxy lining, with sight glass and drain valve)
Drive Motor Power	3.7 kW (5 HP), 3-phase, 415 V $\pm$ 10%, 50 Hz, squirrel cage induction motor
Motor Speed	1440 RPM (synchronous speed 1500 RPM, 4-pole)
Motor Protection Class	IP-55 minimum; insulation class F
Pump Type	Gear Pump – positive displacement type
Pump Flow Rate	Minimum 25.2 LPM at rated pressure
System Operating Pressure	Up to 200 bar (adjustable via pressure relief valve)
Hydraulic Cylinder (Linear Actuator)	Bore: 58 mm; Rod Diameter: 28 mm; Stroke: 140 mm – double acting, with cushioning
Rotary Actuator	Capacity: 315 LPM rated; rack-and-pinion or vane type
Direction Control Valve	4/3 or 4/2 solenoid-operated DCV, spring-centred, manifold-mounted
Pressure Relief Valve	Adjustable, 0–200 bar, direct-acting type with tamper-proof locking
Pressure Gauges	Minimum 3 gauges, bourdon tube type, glycerine-filled, 0–250 bar
Flow Meter	Rotameter / turbine type, 0–30 LPM range, in-line
Filter / Strainer	Suction strainer at pump inlet; return line filter 10 micron, with bypass valve and clogging indicator
Oil Cooler	Air-cooled or water-cooled type (as per ambient conditions)
Control Panel	Powder-coated steel enclosure; ON/OFF pushbuttons; emergency stop (E-Stop); indicating lamps; wiring to IS:694 standards
Circuit Diagram	Laminated hydraulic schematic and electrical diagram affixed on the unit
Frame & Body	Heavy-duty welded MS structural steel frame; powder-coated finish
Mobility	Heavy-duty swivel casters with locking brakes (minimum 4 nos.)
Safety Features	Pressure relief valve, overload relay on motor, low-oil level indicator, emergency stop
Accessories	Hydraulic hoses with quick-release couplings; oil filling funnel; spanner set (1 set); instruction manual
Standards	Designed and manufactured to IS / ISO hydraulic standards applicable

3.2 Compliance Statement Requirement

The bidder shall provide a Compliance Statement in the following format for each parameter listed in Section 3.1. Any deviation – whether major or minor – shall be clearly stated. Unstated deviations discovered after award shall render the contract liable for cancellation.

SECTION 4: TERMS AND CONDITIONS

4.1 Delivery Terms

18. Delivery shall be F.O.R. (Free on Road) destination, i.e., at MAGIC ITI-Jalna premises, inclusive of all packing, forwarding, freight, and insurance charges.
19. The required delivery period is SIXTY (60) days from the date of issuance of the Purchase Order (PO). Time shall be of the essence of the contract.
20. The supplier shall intimate the Purchaser at least 07 days in advance of the expected delivery date.
21. The equipment shall be delivered in completely factory-assembled condition unless otherwise specified. Field assembly shall require prior written approval.
22. All supplies shall be accompanied by: (a) Packing list, (b) Delivery challan, (c) Manufacturer's test certificate, (d) Guarantee / warranty certificate.

4.2 Installation and Commissioning

23. The supplier shall complete installation and commissioning of the equipment within FIFTEEN (15) days of delivery at no additional cost to the Purchaser.
24. Commissioning shall be deemed complete only after the equipment demonstrates performance at all specified parameters under full load conditions and to the satisfaction of the Purchaser's representative / inspection committee.
25. The supplier shall provide hands-on training to the staff members on operation, preventive maintenance, and troubleshooting, for a minimum of TWO (02) working days.
26. A Commissioning Report signed by both parties shall be prepared upon successful commissioning.

4.3 Warranty

27. The equipment shall be warranted against manufacturing defects, faulty materials, and poor workmanship for a period of TWENTY-FOUR (24) months from the date of successful commissioning or TWENTY-SEVEN (27) months from the date of dispatch, whichever is earlier.
28. The warranty shall be comprehensive, covering all parts and labour. The supplier shall rectify/replace any defective part within SEVEN (07) working days of receipt of a written complaint.
29. If the downtime of the equipment exceeds FIFTEEN (15) consecutive working days during the warranty period due to the supplier's fault, the warranty period shall be extended by an equivalent number of days.
30. Consumables (hydraulic oil, filter elements, O-rings, seals, belts) are excluded from warranty coverage unless failure is due to manufacturing defect.
31. The Purchaser shall not be liable for any costs incurred by the supplier's personnel for travel, boarding, or lodging during warranty visits.

4.4 Post-Warranty Annual Maintenance Contract (AMC)

The supplier shall, at the time of bidding, provide a quote for post-warranty AMC (Comprehensive) for a period of THREE (03) years (Year 3 to Year 5) after the warranty period. The AMC cost is for

evaluation purposes and shall be included in the price bid. The Purchaser is not bound to award the AMC to the same supplier.

4.5 Payment Terms

32. Twenty percent (20%) of the contract value shall be paid with the Purchase Order against submission of Irrevocable Bank Guarantee of the equivalent amount from the Nationalised Bank. The Bank Guarantee will be encashed if the successful bidder fails to supply the equipment within the stipulated period.
33. Sixty percent (60%) of the contract value shall be paid against proforma invoice and despatch documents.
34. Ten percent (10%) shall be released within THIRTY (30) days of successful commissioning, submission of the signed Commissioning Report, O&M manuals, and training completion certificate.
35. All payments shall be made by RTGS / NEFT / Account Payee Cheque.
36. Taxes and duties shall be paid as applicable. The invoice shall clearly indicate HSN/SAC code, GST rate, and GST amount separately. Input Tax Credit (ITC) compliant invoices are mandatory.
37. Payment shall be subject to deduction of applicable TDS as per prevailing Income Tax provisions.

4.6 Performance Security (Security Deposit)

38. Ten percent (10%) of the contract value shall be retained for the warranty period plus sixty (60) days.
39. The Performance Security shall be returned within SIXTY (60) days of satisfactory completion of the warranty period.

4.7 Liquidated Damages (LD) for Delay

40. If the supplier fails to deliver and commission the equipment within the stipulated delivery period (including any approved extension), Liquidated Damages (LD) shall be levied at the rate of HALF percent (0.5%) of the contract value per week of delay, subject to a maximum of TEN percent (10%) of the contract value.
41. LD shall be recovered by deduction from the payment due or from the Performance Security. Levy of LD does not relieve the supplier from the obligation to complete the supply and commissioning.
42. In cases where delay is attributable solely to the Purchaser (e.g., site not ready), the delivery period shall be extended accordingly.

4.8 Inspection and Acceptance

43. The Purchaser reserves the right to inspect the equipment at the supplier's works prior to dispatch. The supplier shall provide at least TEN (10) days advance notice before dispatch.
44. Inspection at the supplier's works shall not relieve the supplier of responsibility to supply equipment conforming to the specifications.
45. A Joint Inspection Committee (JIC) constituted by the Purchaser shall carry out final acceptance testing at the MAGIC premises. The supplier's representative shall be present during acceptance testing.
46. Equipment not meeting specifications shall be rejected and the supplier shall replace it at their own cost within THIRTY (30) days.

4.9 Force Majeure

Neither party shall be liable for delay or failure in performance resulting from causes beyond their reasonable control ("Force Majeure"), including natural disasters, acts of God, war, riots, strikes, or government actions. The affected party shall notify the other in writing within SEVEN (07) days of the occurrence. If Force Majeure conditions persist for more than SIXTY (60) days, either party may terminate the contract without penalty.

4.10 Sub-Contracting

The supplier shall not sub-contract the whole of the work. Sub-contracting of specific components is permissible only with prior written approval of the Purchaser. The supplier remains solely responsible for the performance of the sub-contracted work.

4.11 Intellectual Property

All manuals, drawings, and documentation supplied with the equipment shall become the property of the Purchaser. The Purchaser shall be free to reproduce such documents for internal training and maintenance purposes.

4.12 Governing Law and Dispute Resolution

47. This contract shall be governed by the laws of India and the jurisdiction of the courts at the location of MAGIC ITI-Jalna Incubation Center.
48. Any dispute arising out of or relating to this contract shall first be resolved amicably through mutual negotiation within THIRTY (30) days of written notice of the dispute.

4.13 General Conditions

49. The Purchaser reserves the right to accept or reject any or all bids without assigning any reason.
50. The Purchaser reserves the right to split the order, reduce or increase quantities, or cancel the tender at any stage.
51. Canvassing in any form by the bidder or their representatives shall result in disqualification.
52. The bidder shall bear all costs associated with preparation and submission of the bid.
53. Any information furnished in the bid shall be treated as confidential by the Purchaser.
54. The specifications given in this tender are the minimum requirements. Suppliers are encouraged to offer equipment with higher specifications / additional features at the same or lower price.
55. All goods supplied shall be new, unused, of latest design, and of good quality.
56. The equipment shall comply with all applicable safety norms and electrical regulations in force in India.

SECTION 5: PRICE BID FORMAT (SCHEDULE OF QUANTITIES)

To be submitted separately in sealed Envelope-II. The bidder shall quote for each line item. Rates shall be inclusive of all costs up to destination (F.O.R. MAGIC ITI-Jalna Incubation Center) but EXCLUSIVE of GST. GST shall be indicated separately.
